Thank you for your interest in volunteering at **Indiana Recovery Alliance (IRA)**. It is the hard work of volunteers like yourself that has allowed the IRA to improve the health of our community and protect the rights of those who use drugs. Our volunteers include current users, former users, and non-users alike. We do not discriminate against anyone because of current or past drug use and we welcome those with criminal records. In fact, we have found those with colorful histories to be some of our best volunteers.
